

Looking for a Registered Nurse or Licensed Practical Nurse

**Description**

Registered professional nurse who assesses, implements or delegates, plans, and evaluates total nursing care and functions in accordance with established philosophy, providing and directing patient care for a group of patients. Relates effectively with other shifts/departments for optimal continuity of care. Provides clinical supervision for entry level nurses and assists in their development. Must report to license one or to nursing supervisor if needed.

**Requirements**

**Education:**

- Graduate of an accredited school of nursing with active RN Nevada licensure.

**Licenses, Registrations, or Certifications:**

- Registered Nurse with valid Nevada License
- BLS Certification required; ACLS certification highly desired/recommended. Current specialty certification as required.
- Must have working knowledge of the nursing process as well as in depth knowledge of therapeutic, physical, psychosocial, spiritual, cultural, and developmental needs for a select category of patients.
- Good communication skills, both written and verbal.

**Associated Benefits:**

- Competitive wage
- Student Loan reimbursement though Nevada Reno Medical School
- Fully paid medical, dental, and vision insurance
- PERS retirement program

Looking for a Certified Nursing Assistant

**Description**

The Cert Nurse Asst I (CNA), under the direct supervision of a Registered Nurse, administers patient care. The CERT NURSE ASST will complement the nursing process, assisting the RN and LVN in the individualized care of the patient in an attempt to assist the patient in adapting to the disease process and achieve the highest level of wellness.

**Requirements**

- High school diploma or equivalent.
- Successful completion of nurse aide training.
- Maintain current BCLS. Maintain current state registration and provide the hospital with verification.
- Basic computer knowledge.
- Ability to communicate effectively, both verbally and in writing

**Associated Benefits:**

- Offer financial assistance through the Certified Nursing Assistant program
- Fully paid medical, dental, and vision insurance
- PERS retirement program
