

Chief Nursing Officer

Grover C. Dils Medical Center is a small critical access hospital located in Caliente, NV. The facility has a 24/7/365 emergency room, 4 acute beds, 16 long term care beds and does offer rehab services.

As the Chief Nursing Officer, you will ensure the administration of quality patient care. You will also, oversee, guide and mentor the entire nursing staff to ensure the plan of care for the patients and residents is met.

Other requirements:

- Must live within 30 minutes of the facility
- BSN is preferred but not required; experience will be considered
- One or more years of experience in a managerial or supervisor role is preferred
- Must hold current state licensure as a Registered Nurse
- Steer progressive clinical excellence through staff development
- Share responsibility with Human Resources for recruitment and retention
- Provide nursing care to patients
- Implement scheduling and understand scheduling requirements
- Gain an understanding of long-term care and critical access survey requirements and have the ability to properly manage annual survey requirements
- Effectively implement the standards, mission and vision statement of the facility
- Have excellent communication skills
- Sign on bonus; competitive salary and benefits; loan repayment opportunities

We are seeking a result driven team player who treat patients and residents as if they were their own family members. Qualified candidates must be problem solvers and a great leader who will see their team and facility as a priority.

Candidates interested will need to submit their resume with letter of interest to the Melissa Rowe, CEO by email to: missie@gcdmc.org or by mail to:

Grover C. Dils Medical Center
Attn: Melissa Rowe, CEO
P.O. Box 1010
Caliente, NV 89008

If candidates have questions or concerns, please email or contact the CEO at missie@gcdmc.org or 775/726-8005.
