

Seeking a Registered Nurse or Licensed Practicing Nurse

Grover C. Dils Medical Center is a Critical Access Hospital located in rural Nevada and is a 20-bed licensed facility. If you are looking for a slower pace and team atmosphere, this is the place for you. The RN or LPN is a professional nurse who assesses, implements or delegates plans and evaluates total nursing care and functions in accordance with established philosophy, providing and directing patient. Communicates effectively with co-workers and other departments for optimal continuity of care. Will provide clinical supervision for entry level nurses and assists in their development.

Requirements include but are not limited to:

- Graduate of an accredited school of nursing with active RN or LPN Nevada Licensure.
- BLS and ACLS certification required but provided within the first year of employment.
- Good communication skills both written and verbal.
- Must have a working knowledge of nursing processes as well as in depth knowledge of therapeutic, physical, psychosocial, spiritual, cultural, and developmental needs for a select category of patients.

Associated benefits may include:

- Competitive wage
- Student loan reimbursement
- Medical, dental, and vision insurance
- Nevada PERS Program (Public Employees Retirement System)

Questions may be directed to Katherine Lucchesi, RN/Chief Nursing Officer at 775/726-8004 or email to: klucchesi@gcdmc.org or Heidi Whimple, Human Resources Director at 775/726-8006 or email to: hr@gcdmc.org
