Covid-19 Update

Grover C. Dils Medical Center and Lincoln County Health Officials have received confirmation of another **positive** case in our community.

The patient is located in the Alamo, NV area and was **not** tested through our facilities. At this time the individual is NOT hospitalized, is symptomatic but is doing well at home.

We want to take this time to express the importance of following recommended guidelines and being aware of signs and symptoms.

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion/runny nose
- Nausea or vomiting
- Diarrhea

Please maintain social distancing, good personal and hand hygiene, if you are ill please stay home.

As a reminder to our community, **we do offer testing on Monday's and Wednesday's by appointment at both our Alamo and Caliente offices at no cost to you.** It is important that you do not enter our facilities if you feel you have symptoms. Please call ahead and we will arrange to meet you in the parking lot area first to determine how to best meet your needs. Masks or a face covering is required in our hospital and clinics.

We are here to serve our community. If you have questions or concerns please give us a call.
